We are a Professional Gallery

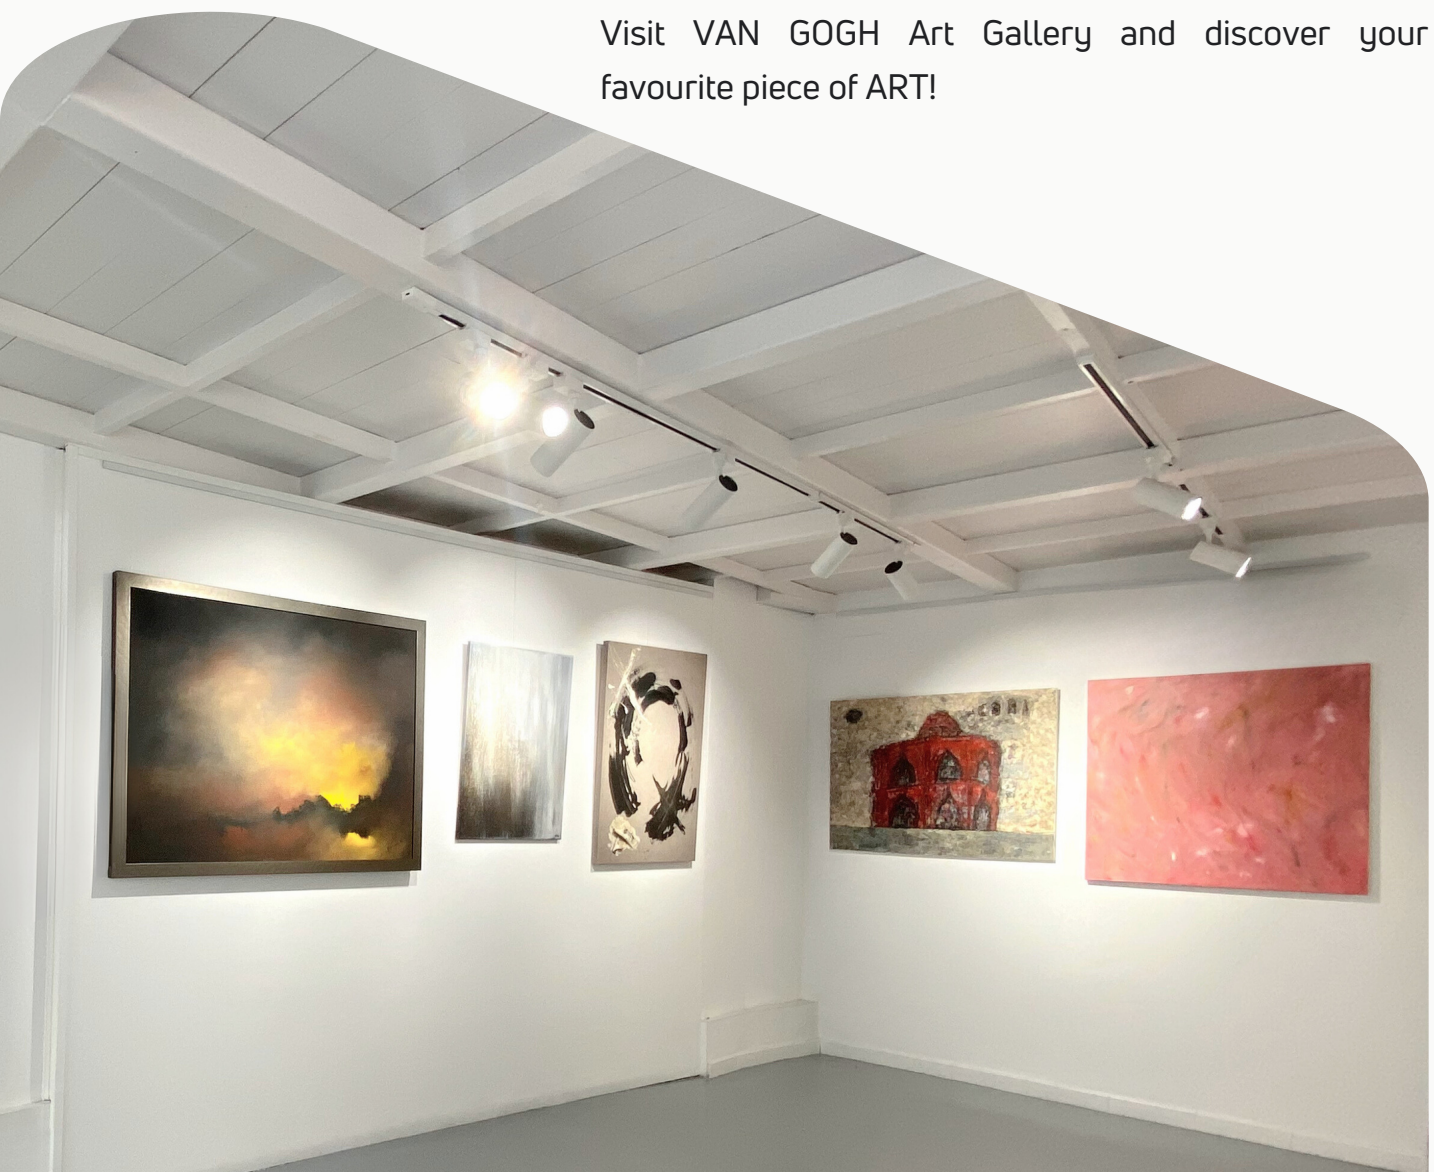

Our Gallery, located in the heart of Madrid, represents a point of reference in the national and international art scene with international experience by participating previously at important art shows all over the world: Miami USA, Paris France, Milano Italy, Vienna Austria, Innsbruck Austria, Frankfurt Germany, Leipzig Germany, Bruxelles Belgium, Luxembourg, Marbella Spain and also in different top locations in Europe and outside Europe.

Our project

We offer representation internationally to both emerging and professional artists and also local representation in Madrid by searching continuously for new opportunities to build the connection between the artists and collectionists and also to connect the art with emblematic institutions as embassies , interior designers, architecture studios and decorators, international companies, and 5* hotels.

The immense variety of styles and disciplines that we exhibit internationally promises a special experience for all, collectors and visitors.
